

Journey of Discovery Book Club - began on Monday, September 22 at 7pm in the library. The goal is the further explore and discuss the topics of the month. We meet every third Monday of the month with different readings.

Theme for November - Scripture and the Church Fathers - In preparation for the month of November, we challenge you to choose one of the four gospels and read it from beginning till the end. Keep the Bible on your nightstand and read a chapter every day. Keep a journal if you are so inclined and join us on Monday, November 17 at 7pm to "compare notes" with others engaged in this challenge.
